Decide what works for you

Choose from a contemporary range of colours & patterns

The logo features the word "FORMICA" in white, uppercase, sans-serif font, centered within a white speech bubble shape. This speech bubble is set against a solid red background that fills the top-left corner of the page. A small registered trademark symbol (®) is located at the top right of the white shape.

Formica HPL. For Making It Happen

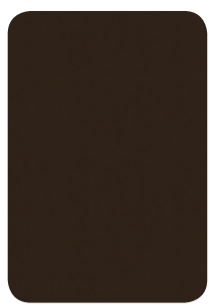

Combining a modern range of colours with Formica's attention to quality (it's tested in NATA accredited laboratories to ensure that it meets relevant Australian and New Zealand Standards) and the result makes great sense wherever you use it.

For every application

Available in a range of colours, patterns and woodgrains, **Formica Laminates** are ideal for work surfaces and benchtops.

Formica Melteca Decorated Board and **Formica Melteca Edging** are available in over 80 coordinating colours and are designed for cupboard doors, shelving, furniture and vertical panelling.

These colours match Formica® Melteca® colours as closely as printing technology allows.

For **Formica** and **Formica Melteca** Decorated Board

www.formica.co.nz

Formica® HPL are Good Environmental Choice Australia certified products. Formica® Melteca® Decorated Board are Environmental Choice New Zealand certified products. Formica® and Formica® Melteca® Decorated Board is marketed and distributed by The Laminex Group – a division of *FLETCHER BUILDING PRODUCTS LTD.* The colours depicted in this brochure are a close to the Formica® and Formica® Melteca® colour collections as modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower gloss surfaces. The Laminex Group recommends the use of laminate cleaning products (or mild household cleaning products) for dark colours; please visit our website, as above, for specific care and cleaning information. Please note in certain lights or from certain angles wipe down marks may be visible. Formica® and Formica® Melteca® laminates are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica® and Formica® Melteca® laminates should be protected from strong direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the applicable Formica® and Formica® Melteca® 7 year warranty from The Laminex Group or visit our website. This warranty is in addition to any rights that may exist under the Consumer Guarantees Act (NZ).

For more product information or order enquiries please phone **The Laminex Group** on **0800 303 606** to speak with a representative from The Laminex Group. If you require a sample, please phone our **QuickChip Sample Service** on **0800 99 99 39** or fax **0800 99 99 59**.
